For embassies—Amembassy, for legations—Amlegation, and for both consulates general and consulates—Amconsul. The U.S. Mission at Berlin should be addressed USBER. For example:

Amembassy PARIS

Amlegation BUCHAREST

USBER BERLIN

ADDRESSING CORRESPONDENCE TO THE FIELD

PREFACE

The Foreign Service List, issued quarterly by the Department of State, is compiled primarily for the Department of State, the Foreign Service, and other United States Government Agencies to provide information on the assignments of Foreign Service and other U.S. personnel assigned overseas. The information it contains is also useful to American business firms, various groups and individuals, and foreign governments.

The List includes: chiefs of mission; Foreign Service officers; Foreign Service Reserve officers; Foreign Service Staff officers of class six and above; and consular agents. It also includes officers of the Agency for International Development, the Peace Corps, the United States Information Agency, the Foreign Agricultural Service of the United States Department of Agriculture, the Departments of Army, Navy, and Air Force, and United States Missions to International Organizations.

Personnel are listed at their posts, showing their titles, category, and class. The date of assignment listed for ambassadors and ministers is the date of attestation or recess appointment. For other officers it is the effective date of transfer or commission date. This information is taken from personnel action forms.

The listing at Embassies and Legations is alphabetical within sections except for the chief of mission, deputy chief of mission, and section chief who are listed first under each section. At consular posts the listing is alphabetical after the principal officer and the deputy principal officer.

Information on the opening and closing of posts, posts changed in rank and status, and other pertinent data also appears in each issue.

Only information received before the revision date of the publication is included. Therefore, the *List* does not necessarily reflect the current diplomatic or consular status of every individual listed. Users in the United States may learn the current status of any officer of the United States assigned to a Foreign Service post by communicating with the Department of State, Washington, D.C., 20520. Users overseas may obtain the same information by communicating with the American Embassy or Legation in that country.

This *List* is compiled by the Publishing and Reproduction Services Division, Office of Operations, and corrections should be reported to that Division.
